

APPLICANT INFORMATION

NARHC BOARD OF DIRECTORS

January 2021 – December 2023

Board members serve 3-Year Terms. They are voted into office by the members at the Annual Meeting (Thurs., Oct. 15, 2020). Absentee ballots are also accepted in advance of the Annual Meeting. Candidates are given 5 minutes to introduce themselves. Since this year’s Annual Meeting will be virtual, we are asking candidates to pre-record their 5-min. introductions. We’ll send you more info. on that later.

REQUIREMENTS: Candidates must be affiliated with a current NARHC member & maintaining NARHC membership is required once elected. The ideal candidate will have leadership ability and extensive Rural Health Clinic knowledge. We want to especially encourage Providers and others who work directly in and with the Rural Health Clinic(s) to apply. The ideal candidate will assist in growing the NARHC Association Membership by being an advocate and cultivating a relationship with his or her State Association & others. We prefer candidates from states not already represented on the Board but this should not prohibit one from running.

TIME COMMITMENT: Board members are expected to attend the 2 NARHC conferences (2½ days long in March & October) and be present on 1-hr./mo. conference calls (3rd Wed. of the Month at 2:30 p.m. Eastern time). Additionally, members should plan to serve on the occasional subcommittee. Time commitment varies but approximately 2-7 hours/month. NARHC is occasionally called upon to provide a speaker at State Conferences. Board Members, who are comfortable speaking, may be asked to represent NARHC. Your expenses will be fully covered for outside speaking engagements. Board members though pay their own airfare & expenses to the 2 NARHC conferences. NARHC pays for your conference registration and lodging fees (if desired).

There are 3-4 seats open every year. We do have term limits. Individuals elected to the Board shall be limited to 2 consecutive 3-year terms. Directors may be eligible for re-election to the Board after a 2-year absence from the Board. A Nominating Committee reviews the qualifications & experience of individuals seeking election to the Board of Directors and makes a recommendation to the members of a slate of candidates for election. Failure of the Nominating Committee to recommend an individual for election shall not prevent that individual from being a candidate.

TO RUN FOR THE BOARD OF DIRECTORS: Email your biography & the following information ASAP but no later than Aug. 1st to contact@narhc.org. You may email or call 866-306-1961 x3 with any questions.

- Title
- Member RHC/Org.
- Business Address
- Your Email
- Phone
- Speaker Biography
- Your Picture
- 2 Letters of Recommendation (optional)

Candidate Biographies should be no longer than 516 words...

SAMPLE BIOGRAPHY

Kate Hill, RN — Incumbent

Kate is the VP of Clinical Services with The Compliance Team, one of two deeming entities in the U.S. She spearheaded TCT’s Rural Health Clinic Accreditation program. Kate has also served on the NARHC Board of Directors for the past 4 years.

Serving on the NARHC board has simply whetted her appetite for additional service. To walk alongside a board that constantly strives to do whatever it can to improve the quality of service in RHCs has been a real pleasure. She was and continues to be very involved in planning content for NARHC’s educational offerings including the Certified RHC Professional Course (CRHCP) and the Introduction to RHCs, a new course being rolled out to NARHC members on June 1st.

Kate is a graduate of Albert Einstein Med. Center School of Nursing in Philadelphia, PA. As an Army Nurse, she served in Viet Nam (27th Surgical Hospital in Chu Lai) where she was awarded the Bronze Star for meritorious service. Her years of business & nursing experience combined well to contribute meaningfully to the NARHC board. She feels fortunate to have been able to speak at numerous state and national meetings about RHC compliance countrywide which gave her the opportunity to learn firsthand the diverse regional issues clinics are facing. She would very much appreciate your support to serve for the next term on the NARHC Board of Directors.

Kate Hill, RN

Vice President of Clinical Services, The Compliance Team, PO Box 160, Spring House, PA 19477
